By signing this form, I acknowledge and agree to the following:

1. I agree to pay the full player game fees of \$275 by the second round of competition, I am aware that failure to pay these fees will result in the player being removed from the court and will not be allowed to play any further games until the full fees are paid.
2. I understand that Notorious Basketball Academy remains the owner of all club loan singlets. Loan singlets are supplied to each player on a loan basis only while playing for Notorious Basketball Academy. At the end of each season, players are required to return the club loan singlet to your team manager or the club delegate. Failure to return the club loan singlet will result in an invoice of \$65 being issued for replacement. (I would add that each player has the responsibility of keeping the singlet in a tidy condition. Also I would add that if the singlet is lost or damaged during the season there will be a fee associated with replacing it.
3. I understand that player fees are set at the beginning of each season. The club cannot be responsible for ensuring that each team pays a different amount per season based on the number of weeks when the team is not rostered to play (Bye). Therefore, game fees are an average across all normal competition weeks excluding semi and grand finals. These fees will need to be paid before the Commencement of the game.
4. I understand that no refund is given for games that the player misses due to suspension or injury. Where a severe injury causes the player to miss out on the rest of the competition (only severe injuries sustained with 4 weeks or more from the semi-finals warrant the player the credit for next season), a credit will be raised towards the player's fees for next season and it will be discounted by 50% off the cash payment as a show of good faith. The players will need to provide Notorious Basketball with a medical certificate as acceptable evidence of the injury.
5. I understand that Active Kids Vouchers are only able to be redeemed for the player that is registered to play with Notorious Basketball or attends its development training. No cash refund will be given for any part of an Active Kids Voucher.

ABN 57 890 546 929

6. I understand that training allocations are limited, some teams choose not to undertake training and some children choose not to attend development training, there is no partial refund if your team/player chooses not to train.
7. I understand that once a player has registered to the team and three rounds of competition have been completed there is no refund should the player choose not to continue playing with Notorious Basketball Academy and chooses to leave the team.
8. I acknowledge that I have received a season information sheet document which outlined the breakdown of the registration fees.
9. I understand that no refund is given for games not played unless the remainder of the season is cancelled by the Bankstown Basketball Association. Refunds of cash payments can be allocated towards the following seasons fees or by bank deposit into your nominated bank account. Refunds will be valid for 12 months from issue date of credit note.
10. I understand that coaching at games is managed by non-paid volunteers, I agree to respect their decisions regarding player rotation. Any player or parent that has any issues with a particular coach's behaviour can email the Academy Director with a formal complaint which will be passed onto the Association to investigate.
11. I understand that club players are covered under the Basketball NSW Player Injury insurance and claims are made via the Basketball NSW website.
12. I understand and acknowledge that Notorious Basketball have the right to engage third parties such as debt collection agencies or legal practitioners to collect any outstanding invoices or retrieving singlets. The cost of engaging third parties will be added to the initial amount owed to Notorious Basketball and is payable by , by the player (or parent/guardian of player if the player is under the age of 18)
